Ugly Mudder™

PROTECTION ZONES:

FEATURES:

For workers who handle chemicals or deal with fluids of any kind, the Mudder® series offers the most comprehensive protection available. Mudder® gloves offer a range of features, sizes and options that make them the most effective all-purpose solution for anyone working in wet, hazardous conditions. All Ugly Mudder™ gloves feature a liquid-resistant coating, back-of-hand impact protection, excellent abrasion resistance, and a confident grip. They are also oil and waterproof, are hand washable, and available in hi-vis colors.
