

IRONTEX™ flame retardant 9 oz orange 100% cotton twill fabric protects from light spark and spatter. FR reflective tape on body of jacket and sleeves. Jacket has harness hook and loop flap on the upper back of the jacket. Black anodized snaps and rivets do not corrode and prevent flashback. Adjustable snap at wrist for custom fit.

### Features and Benefits:

- Flame retardant cotton combines protection and breathability
- Anodized snaps prevent flashback
- Generous fit to wear over clothes
- Two inside chest pockets, two rear pockets, two hip pockets, and two side slits for storage
- Ideal for light welding activity
